

TRINH NGUYEN

UX Research + Design

trinh.uyen.nguyen@gmail.com 404 578 9786 trinhunguyen.com

I am interested in exploring the role of technology and design in storytelling and civic and community engagement. In all my work, I aim to understand the users and their environment before crafting simple and effective solutions to their problems.

Experience

Georgia Institute of Technology Atlanta, GA
Graduate Research Assistant Aug 2016 - present

Working with Dr. Carl DiSalvo to design and execute a workshop to introduce the Atlanta community to concepts of sensor technology and smart cities

Amazon Web Services Seattle, WA
User Research Intern May 2016 - Aug 2016

Designed and conducted usability tests for user interfaces; disseminated research data to inform design for future products

University of Georgia Athens, GA
Graduate Researcher Aug 2013 - Aug 2015

Conducted gait analysis studies to assess the efficacy of neural stem treatment for motor function recovery in stroked pigs

Education

Georgia Institute of Technology Atlanta, GA
M.S., Human-Computer Interaction May 2017

University of Georgia Athens, GA
M.S., Animal and Dairy Science Aug 2015

Georgia Institute of Technology Atlanta, GA
B.S., Biology May 2013

Skills

Agile user research
Usability testing
Interaction design
Prototyping
Visual design
Storyboarding
Wireframing
Survey design
Participatory design
Writing

Tools

Axure
Balsamiq
Illustrator
Sketch
Photoshop
