Indesign

Sketch

SolidWorks

## PROJECTS

### GTag UX Design | User Research | Accessibility

August 2021 - December 2021

- Designed a combination of accessible mobile app and physical tag to communicate information on grocery items' packaging to visually impaired and blind people
- Evaluated GTag with a visually impaired user and a sighted helper in a grocery shopping context

### Say What You See User Research | Gamification

August 2021 - December 2021

- Conducted user research on managing emotions resulting from interpersonal conflicts for young professionals at workplaces
- Developed a gamified design solution of draw and discuss to understand conflicts from the other party's views

### Fribo UX Design | User Research

October 2020 - December 2020

- Designed a mobile app to work with a smart refrigerator for grocery inventory based on user needs collecting from semi-structured interviews and online surveys
- Performed formative and summative evaluations with users for further improvements on the design

### HELLO UX Design | Gamification | Accessibility

April 2020 - May 2020

- Gamified the experience of learning social interaction skills for children with mild ASD

## EXPERIENCE

### Lab Mentor GT Interactive Product Design Lab

August 2021 - Present

- Check-out and check-in lab equipment, including electronic parts (sensors, motors, cables, etc.), cameras, projectors, etc.
- Maintain lab environment to be friendly, clean, and safe

### UI/UX Design Intern Newel Corp.

February 2021 - May 2021

- Worked on UI/UX design for the second version of and mobile app, Official, that helps foster healthy relationships between couples
- Developed interfaces for an online dashboard for internal use in obtaining user data, posting date ideas, and creating push notifications
