Experience

UX/UI Designer / Rhymes with Reason

Jan 2021 - Jan 2022

Redesigned, gamified, and prototyped an online vocabulary tool that is used by 225,000+ students in over 150 schools. Collaborated with the RWR product teams to wireframe and iteratively design a website, utilizing an existing company branding guide.

HCI Grad Teaching Assistant / Georgia Tech

Aug 2021 - Dec 2021

Advised and aided 68 first year MS-HCI students in learning about the Foundations of HCI. Led a one-hour workshop teaching students how to use Figma. Fielded questions about the UX design process and graded semester-long HCI projects.

Lead Teacher / Leap Academy

Jan 2020 - Apr 2020

Created weekly lesson plans and activities that were curated to the likes and needs of 21 two-year-old students. As the only teacher for 7 two-year-olds, I often needed to multitask and maintain flexibility to adjust plans when things did not go as expected.

Technical Services / Epic Systems

Aug 2018 - Jun 2019

Advised analysts at two hospitals on utilizing healthcare software in order to best treat their 10,000+ patients. I assessed desired functionality and software issues and found solutions or alternatives. Assisted both hospitals through a major software update.
